FLOOD PLAIN DEVELOPMENT PERMIT APPLICATION

The City of Twin Falls under authority of City Code Section 10-11-9 is required to issue, review and approve permits for work in a flood plain area for all new structures, modifications of existing structures, channel alteration including fill, excavation relocation, overhead and underground channel crossing. This application will meet the requirements for the City of Twin Falls, National Flood Insurance Program and FEMA. No construction or development shall occur without approval of this application.

Date: ____/____/____
