TWIN FALLS FIRE DEPARTMENT

FLAMMABLE / COMBUSTIBLE

LIQUID TANK AND EQUIPMENT PERMIT APPLICATION

Owner Name _____
Address _____
Phone No. _____

Contractor Name _____
Address _____
Phone Number _____

The City of Twin Falls requires that a permit be obtained to install, alter, remove, place temporarily out of service, or otherwise dispose of any flammable and or combustible liquid tank and equipment.

An investigation fee, equal to the amount of the appropriate fee, shall be assessed if construction has been prior to obtaining said permit.

Please refer to permit requirements handout for minimum plans necessary to make application.

Legal description of property and address where work will be performed:

New Installation

Submit two sets of plans as per the permit requirements with this application

Alter

Remove

Abandon
