

## **2023 WATER CONNECTION FEES**

### **SERVICE LINE INSTALLATION FEES:**

These are connections to live water mains and extended for the single dwelling homeowner, not for developers of multiple lot subdivisions. Tapping is done by City crew and City provides the materials for service line installation from the mainline tap up to and including the meter. The standard size tapping connections and the fee for the City to construct all or any portion of a standard connection size service line, fifty (50) foot or less in length shall be as follows: (This fee includes permit, tap fees & meter fees.)

| <b>Service Size</b> | <b>Service Line, Meter &amp; Installation Fee</b> |
|---------------------|---|
| 1"                  | \$2,507.44  |
| 1 ½"                | \$3,377.88  |
| 2"                  | \$3,940.45  |

Fees for service size larger than 2" shall be determined by the City Engineer.

### **PERMIT TAP FEES:**

These are permit fees for new subdivisions. The standard size tapping connections and the fee for processing the application shall be as follows:

| <b>Service Size</b> | <b>Permit Tap Fee</b> |
|---------------------|-----------------------|
| 1"                  | \$55.35               |
| 1 ½"                | \$55.35               |
| 2"                  | \$55.35               |

Fees for service size larger than 2" shall be determined by the City Engineer.

### **METER FEE:**

These are fees for the meter and meter placement by City crew. Meter fees are to be paid at the time of building permit. The standard size meter and meter set fees shall be as follows:

| <b>Meter Size</b> | <b>Meter &amp; Installation Fee</b> |
|-------------------|-------------------------------------|
| 1"                | \$389.40                            |
| 1 ½"              | \$714.63                            |
| 2"                | \$952.67                            |

Fees for service size larger than 2" shall be determined by the City Engineer.

### **MAIN LINE CONNECTION FEES:**

These are connections to live water mains, tapping is done by City crew and owner provides materials. The standard sizes and the fees for processing the application and tapping the public water main shall be as follows:

| <b>Connection Size</b> | <b>Main Line Connection Fee</b> |
|------------------------|---------------------------------|
| 1"                     | \$150.00                        |
| 1 ½"                   | \$150.00                        |
| 2"                     | \$150.00                        |
| 4"                     | \$1,433.99                      |
| 6"                     | \$1,595.70                      |
| 8"                     | \$2,063.47                      |
| 10"                    | \$2,835.12                      |
| 12"                    | \$4,269.89                      |
