Agricultural Exempt Site Placement Permit Application

All information to be filled out in its entirety or application will not be taken in

AGRICULTURAL BUILDING: A structure designed and constructed to house farm implements, hay, grain, poultry, livestock or other horticultural products. This structure shall not be a place of human habitation or a place of employment where agricultural products are processed, treated or packaged, nor shall it be a place used by the public.

Tents used for agricultural purposes are regulated by the City of Twin Falls Fire Department under the International Fire Code. Please contact the Fire Marshall at 208-735-7232 for regulations.
