

TWIN FALLS FIRE DEPARTMENT

FLAMMABLE / COMBUSTIBLE

Under and Aboveground Storage Tank and Equipment Permit Requirements

The City of Twin Falls requires that a permit be obtained to install, alter, remove, place temporarily out of service, or otherwise dispose of any flammable and combustible liquid tanks.

An investigation fee, equal to the amount of the appropriate fee, shall be assessed if construction has been prior to obtaining said permit.

New Installation:

Submit two (2) sets of plans as required for permit applications.

1. Complete a plot plan drawn to scale with the following information.
 - a. North arrow
 - b. Scale of drawing
 - c. Legal descriptions
 - d. Owner's name, address, and telephone number
 - e. Property line and lot dimensions
 - f. Streets
 - g. Setbacks from property lines, front, sides, rear, tanks and pumps and buildings
 - h. The location of all buildings on the property showing the relationship to tank locations and pump locations
 - i. Details and specifications on the proposed type of corrosion protection
 - j. Details and specifications of piping and swing joint materials
 - k. Dimensions and capacity (gallons) of tank(s)

Alterations, Abandonment, Place Temporarily Out of Service for Existing Installations:

Two (2) sets of the following are required for permit applications.

1. Owner's name, address and telephone number(s).
2. Details and specifications of items to be altered, abandoned, or placed temporarily out of service.

Removal of Existing Tanks:

1. Address of tank(s) locations.
2. Number and size of tank(s) to be removed.
3. Destination of removed tank(s).
4. Method of tank(s) disposal.

Permit Fee Schedule:

<input type="checkbox"/>	New installation	\$ 120.00
<input type="checkbox"/>	New installation, above ground storage tank under 1100 gallons	\$ 50.00
<input type="checkbox"/>	Alter, modify, repair existing tank or equipment	\$ 50.00
<input type="checkbox"/>	Remove, abandon, place temporarily out of service	\$ 25.00

The permit includes two (2) inspections. Additional inspections will cost an additional \$25.00 per inspection.

Tank Removal
