Welcome to Twin Falls Parks and Recreation.

With over 1,650 acres of parks and open spaces, we offer a variety of options including parks, playgrounds, ball-fields, trails, swimming pool, splash pads, tennis courts, picnic areas and urban wilderness all for your enjoyment. Check out our newest connection of the Canyon Rim Trail, which allows for over seven consecutive miles of spectacular canyon views. Fall and Winter transform these spaces creating new opportunities to enjoy fall colors, cross country ski or enjoy frosty scenes.

We value the health of our community and strive to provide opportunities to relax, play, exercise and connect with neighbors and nature. We provide a growing selection of recreation and aquatics programs to engage our diverse population. This winter, see what the City Pool has to offer, go skiing at Pomerelle or Magic Mountain, play some basketball or learn martial arts, try your hand at rock painting and join us for cabin fever day in January.

I invite you to explore our Winter Guide and find the programs, facilities and spaces to suit your interests.

REGISTRATION
Waiver forms must be filled out completely and signed by a parent or guardian for each sport/class that they are registered for. Starting January 2010, The parks and Recreation office has instituted a new policy regarding registration. A parent/guardian is now able to register for any youth sports all year at anytime. Regular registration dates will still be used for online registration, and the late fee policy will still be in place. In team sports, players will be placed by school and some schools may be combined. Once teams are formed, rosters will NOT be changed. Insurance will not be provided by the Parks & Recreation Department for sports participation.

WAYS TO REGISTER

1. **WALK-IN**
   Walk-in registration is available at the Parks and Recreation office. Office Hours: Mon—Fri, 8:30 am—5:30 pm; Closed all major holidays.

2. **INTERNET**
   Visit the City of Twin Falls’ website at www.tfid.org.

3. **DASH PLATFORM APP**
   Download the Dash Platform app on your smart-phone or visit the following website on your computer: bit.ly/tfidregistration
LATE REGISTRATION
In Sports leagues, we will attempt to place all players that wish to play, provided there is space available. Please note - late registrants cannot be guaranteed a spot on a team or placement with their school and a $10 late fee will be applied.

DEADLINES
Deadlines are used as a tool to determine whether there is enough interest in an activity. If the minimum enrollment is not met, the class or activity may be cancelled. If you are interested in an activity, please register. We can always issue a refund or credit to your account.

REFUND POLICY
In Full:
− If classes are filled or cancelled.
− If cancelled before the program starts.
− If applied to other program offerings prior to the second week.
− For medical reasons and prior to the second week.

No Refund:
− If after the second week of classes/games.
− If ejected from a class/league for disciplinary reasons.

RAIN OUTS
Outdoor programs may be cancelled due to extreme weather. Please call or watch our weather line at 208-735-3440 for cancellation information. If deteriorating conditions force an on-site cancellation, a representative will remain on-site until all children have been picked up. Please keep in mind Idaho’s rapidly changing weather and dress your child appropriately.

NON-ENDORSEMENT POLICY
The Twin Falls Parks and Recreation Department enters into contracts with persons having special or unusual expertise or talent which they are willing to share with others. However, the Twin Falls Park and Recreation Department does not endorse or approve either the opinions or business affiliations of such persons. If you find opinions, business affiliations, or other information objectionable, please contact our office at 208-736-2265.

Thank You
to the hundreds of adult volunteers who help coach and guide our youth programs.

YOUTH SPORTS

The Twin Falls Parks and Recreation Department offers youth sports for boys and girls Kindergarten through 8th grade. All players will have the opportunity to participate in non-threatening, non-competitive recreational sports. This allows them the opportunity to learn discipline, responsibility, commitment, team work and good sportsmanship while allowing them to gain confidence. All of our youth sports programs are non-competitive, so no standings are maintained in any division. Standings add unnecessary pressure and intensity for players. Every game begins with equal standings. We rely on volunteers to coach our youth programs throughout the year. Kids love playing sports, but every team needs a coach. Come help us make a difference in a child’s life by volunteering to coach youth sports! If you or someone you know would be interested in volunteering please contact us at 208-736-2265.

MAGIC VALLEY BOWHUNTERS
The Magic Valley Bowhunters Club has been dedicated to promoting and protecting the great sport of archery and bowhunting for nearly 50 years. We offer special programs and leagues for all age groups, genders, and levels of ability all while promoting wildlife conservation, land stewardship, and the ethical conduct that archers and bow hunters are required to practice at all times. If you are interested in becoming part of a prestigious brotherhood of archers and bowhunters, check out magicvalleybowhunters.org or call 208-595-4069.

ROCK CREEK ARCHERS
Rock Creek Archers is a young and growing archery club in the Magic Valley who strive to strengthen the spirit of archery through fellowship and competition, while instituting ethics, sportsmanship, and education, for current and future generations. Our family-oriented organization aims to further archery by giving prominence to safety, environmental stewardship, ethical bowhunting, and personal growth. As a whole, our association works to provide quality indoor and outdoor events for all disciplines of archery such as field, target, 3D, and bowhunting. We’d love to see you this season at one of our shooting events!

Check out our Facebook page rockcreekarchers or contact President Jayson Tabb at 208-421-2558 for more info and updates on youth shooting events.

AUGER FALLS
Auger Falls is a natural park located in the Snake River Canyon. Its 680 acres feature over 20 miles of hiking and biking trails, unique geology, evidence of prehistoric and historic activity, and magnificent views of the Snake River and Auger Falls. Natural ponds as well as ponds created with treated water from the water treatment plant are home to a variety of water fowl. Auger Falls has a gravel parking lot and vault toilet. It is open to bicycles and foot traffic. No horses, motorized vehicles, or hunting are allowed in the park in accordance with City Ordinance. Continued improvements include trail markers, interpretive signs, a bike repair station, and trail stabilization efforts. Please enjoy the park, stay on the trails, pack out your trash, and take only pictures.

SHOSHONE FALLS & DIERKES LAKE
Shoshone Falls was established in 1932 after the land was donated by Frederick J. Adams and Martha Stone Adams to the City of Twin Falls. Thousands of people travel to visit the Falls where water tumbles 212 feet to the canyon floor. Enjoy the scenic overlook, picnic in the grassy areas or walk the Centennial Trail that winds up out of the canyon to Evil Knievel’s jump site. A boat ramp provides access to the Snake River above Shoshone Falls. Adjacent to Shoshone Falls is Dierkes Lake. The City of Twin Falls purchased this land in 1969. The park features a swimming area with seasonal lifeguards, a grassy area and playground, restrooms, rock climbing, and a walking trail that circles the lake, offering scenic views of Dierkes Lake, the canyon, and the Snake River. Dogs are not allowed in the grassy park at Dierkes Lake but are welcome on the trail around the lake. Shoshone Falls and Dierkes Lake are open daily from sunrise to sunset. The parks and amenities are available to the public free of charge. From April 1- September 30, vehicles will be charged a fee for the use of the roads and parking lots. Fee is $5 per vehicle or $20 for a bus. Non-transferrable season passes are available for $25 per vehicle, or a 20-coupon book can be purchased for $30. Money generated from these fees is used to fund improvements to this diverse recreation area.
