CITY OF TWIN FALLS  
**FIRE DEPARTMENT**  
2023 ANNUAL REPORT BRIEF

**Our Mission**

*As the Professional Firefighters of Twin Falls, we are dedicated to the continued excellence of life safety, fire suppression, education, and community involvement. We affirm our loyalty to our members, our profession, and to the citizens we serve.*

## Message from the Chief

As I approach the start of my seventh year with the City of Twin Falls, I want to express my deep appreciation for the privilege of serving you as Fire Chief. Your ongoing support and trust in our department means a great deal, and I am truly grateful.

Our primary mission is to serve and protect the citizens of Twin Falls and the Fire District with unwavering dedication. The year 2023 brought exciting developments for our department, including opening a new fire station (Station Two), initiating construction on a new Station Three, and utilizing our cutting-edge training facility.

The Twin Falls Fire Department operates as an all-risk, all-hazard fire department comprising of devoted professionals with a proud history of serving residents, businesses, and visitors. Throughout the past year, we focused on strengthening interdepartmental relations and collaborating with regional partners to enhance efficiency and resource management.

As an organization, we are an integral part of "One City," taking pride in delivering a high level of service while embodying our city and department values of Integrity, Connection, Honesty, Commitment, Attitude, Behavior, and Teamwork.

The men and women of the Twin Falls Fire Department are the cornerstone of our operation. They are compassionate professionals, highly trained, solution-oriented, and consistently strive to exceed expectations. I am incredibly humbled and honored to work alongside such dedicated individuals, and it is through their daily efforts, we consistently provide exceptional service to the public.

On behalf of all the members of the Twin Falls Fire Department (TFFD), I am honored to present a snapshot into our 2023 Annual Report.
